

5/6/20

Good afternoon everyone. I hope you are all doing well. I am getting all of your Mother's Day Grams put together and I know many of you have scheduled virtual visits with your loved ones! The Activities Department wanted me to let you know that they are here Saturday and Sunday so if you prefer a Saturday call or would be open to a Saturday call please let them know. They are doing their best to accommodate everyone's schedule but they are worried they may run out of hours in the day on Sunday. The number to call is 814-695-5571 and ask to schedule a virtual visit.

The Sisters have made everyone an artificial teacup flower to go along with Mother's Day Grams and all of the cards and care packages everyone is sending. We will make sure to make it special for all of our ladies. (see attached)

We have no news on anything COVID-19 related. We remain COVID free- praise be to God. And our county remains under the "Stay At Home" order from Governor Wolf. Everyone is safe, well fed, and being pampered by our staff! Yesterday we celebrated Cinco D Mayo which was a lot of fun. Today we had a staff dress down day where we dressed in different eras. The residents are having fun seeing our staff dressed up in different themes each week. We are really hoping for warmer weather soon so we can get out in the courtyards!

We hope that you are all doing well and staying safe. We miss all of you terribly and continue to pray for an end to this pandemic. I did put together a little video with some of our Facebook photos so if you have a chance you can check it out! Here is the link.
