

4/4/20

Good morning and thank you to all of our family members and friends who have provided us with your email address. Throughout the next few days I will be working on collecting an email address for every resident who is currently in the Nursing Home and OLAR. If you have another family who has an email address that you want to give me please send it! The more we communicate during a time like this the better. You can also feel free to forward this email to other family contacts.

The information I will provide will not be confidential. It will be public information. I am the Director of Development here so that covers PR which makes me our facilities Public Information Officer.

We are working on a short E-Newsletter to get out to all of you within the next few days. Because of the visitor restrictions, this makes it a challenging time for all of us. We thought email may be a great way to communicate. I will also continue to update our Facebook and Instagram page so please like those if you haven't already.

Today we are doing well here at Garvey and OLAR. We continue to work through this unprecedented time together as a unified team. The Sisters continue their daily prayers. They are praying for the safety of our residents and staff as well as the Nation. We are all praying that we will get through this together.

Today Sister has asked me to remind you that if you are dropping off an item for your loved one please remember that: **ONLY ONE DELIVERY OF ITEMS PER RESIDENT PER DAY**. Thank you for your understanding of this request.

You can feel free to email me questions you may have. Just be aware that I may not have the answers but I will forward it to the appropriate department or find out myself and get back to you! Most importantly pray for us all and stay safe. God Bless and have a wonderful day!

Holly Keller BSW, PCA
