

4/7/20

Hello everyone and good morning from Garvey Manor and Our Lady of the Alleghenies Residence. I hope that this reaches you safely and that you are all staying healthy. We continue to batten down the hatches here and go along as usual. The Garvey Grams have been a great way for families to send a special note to their loved ones. They absolutely love them!!! So, I have decided to add a little twist to them for Easter. Please see the attached. If you wish to do an Easter Gram, email me your Easter message for your loved one. Then The Easter Gram, along with a hand-made tissue paper flower, will be delivered to your loved one on Easter.

We would also like to say, thank you all for your support and understanding during this most difficult time. We know it is not easy for anyone and we so appreciate your kindness to us. The Sisters continue to pray daily that we will be protected and that life can return to normal very soon. We ask that you also keep us in your prayers. Our staff is so dedicated. They continue to work through this stressful time and give of themselves. We know that they must be worried about their families as well, but they continue to do what they were called to do, which is to care for those whom God has entrusted to our care.

We have started a "staff appreciation wall". Many of you have emailed me lovely comments about our staff so I am posting them on the wall for the staff to read. It is surreal to watch them as they read them. Your comments humble us and bring us tears, but it reminds us all why we are here and why we do what we do. This is more than just a job for us. This is our Ministry. God Bless you all! Stay safe, stay healthy, and we pray to see you in person soon.
