

Good Morning to everyone! Here is your weekly update from Garvey Manor! We remain blessed to say that we are free of any presumed or confirmed cases of COVID-19. Praise Be to God!!

Even though the county is Green please be aware that Blair County has seen a spike in reported POSITIVE cases of COVID-19. We need to ask that you please remain as vigilant as we are when you are on our campus.

- When on our campus for window visits, adults should be masked at all times and social distancing guidelines of 6 feet apart should be maintained.
- Due to the beautiful weather and many residents being outside, if you are on our campus please remember DO NOT approach any resident who may be outside.
- As you know, we have been mandated to test all residents and staff before July 24th so we are moving forward with a plan to ensure we are on track with this requirement. If you have not already, you will be getting a phone call from our Nursing Department to discuss the testing of your loved one as testing will begin the week of June 29th. Testing questions can be directed to the nursing department.
- If you need to reference these emails or inform family members who do not have email of this information, you can direct them to our website at www.garveymanor.org. These emails and other pertinent family information can be found under the box labeled “New Information” and then click “Family Information”.
- We continue to await guidance from our regulatory bodies regarding visitation. At this point we have not been updated on anything new since our last email. We are all anxiously awaiting this information.
- Sister Joachim has been asked to be a part of the panel of witnesses who will be speaking this morning as part of the Senate Aging and Youth Committee regarding the update on Long Term Care Facilities and COVID-19 that is chaired by Judy Ward. We are excited that Garvey Manor will be represented in front of the Senate GOP! Sister will be part of the panel at approximately 11:10AM – 11:50AM. This is also recorded so if you miss it you can watch the hearing at your convenience.

As always thank you all for your patience and kindness during these difficult times. We hope you have a wonderful day and God Bless!
