

NEW OPPORTUNITY!!

Garvey Manor &

Our Lady of the Alleghenies Residence

Do you have a desire for a career in the nursing field but are unable to find the time or financial resources to follow your dream?

Garvey Manor offers the perfect opportunity to work in healthcare positions and learn as you work!

We are interested in making a commitment to Mission-minded individuals who are dedicated to ministering to our residents.

Start as a Care Helper . . . You'll fall in love with our residents and our ministry. Personal Care Attendants gain experience that can be an asset in pursuing nursing education. You could be considered for our Certified Nurse Aide training program. Having more direct contact with our residents may lead you to a desire to become a Licensed Practical Nurse. You may be eligible for tuition assistance to realize this dream. You may not want to stop there!

Perhaps this path will lead you to applying for tuition assistance for education as a Registered Nurse.

All along this path, you can continue to work as you go!
